

Venue: Moscow, Tourist and Hotel Complex «Izmailovo»
(Izmailovskoe shosse, 71)

Organizing Committee of the workshop

Chairman — Putilov V.Y., director of IACEE MPEI (Russia)

Deputy Chairman of the Organizing Committee — Putilova I.V.
(MPEI, Russia)

Organizing committee members

Andreev S.O. (Eurosvit Ltd, the Ukraine)

Eremin K.V. (Omega Minerals Russia, Moscow)

Feuerborn H.-J. (European Coal Combustion Products Association, Essen, ECOBA)

Kapustin F.L. (USTU-UPI, Yekaterinburg, Russia)

Kruger R. (Richonne Consulting, Somerset West, SA)

Lewandowski W. (STI, Needham, USA)

Maksimenco Y.L. (RSPP, Moscow, Russia)

Nefedyev N.B. (Ministry of Natural Resources of the RF, Moscow)

Shevtsov V.R. (Siberian Energy Association, Novosibirsk, Russia)

Stankowski S. (West Pomeranian University of Technology, Szczecin, Poland)

Szczygielski T. (Polish CCP Union, Warsaw, Poland)

Scientific secretary of the Organizing Committee —

Malikova E.A. (MPEI, Russia)

Organizational issues

Malikova E.A. (MPEI, Russia)

Savelyeva A.V. (MPEI, Russia)

Order

Registration of the workshop attendees

□ **April 17-18, 2012**

9.30 — 18.00; MPEI, building “ZH”, room ZH-107

□ **April 19, 2012, Thursday**

8.30 — 9.20; Tourist and Hotel Complex «Izmailovo» (Izmailovskoe shosse, 71)

Workshop activity

□ **April 19-20, 2012,** Tourist and Hotel Complex «Izmailovo» (Izmailovskoe shosse, 71)

Departure of the workshop attendees

□ **April 21, 2012, Saturday**

WORKSHOP TOPICS

- production volumes and beneficial applications of ash and slag from power industry in the countries world-wide;
- technologies of ash and slag removal and beneficiation of their properties at TPPs;
- complex solution of issues relating to economical efficiency and ecological safety of TPPs, as well as ash and slag handling problems
- ash and slag properties and standardization;
- international and national legislation on ash and slag handling;
- utilization of ash and slag in building industry;
- application of ash and slag in agriculture;
- use of ash and slag at manufacture of high-technology products;
- utilization of ash and slag in mining, primary and other raw material industries.

Moscow

Dear Colleagues!

We invite you to take part in the IV International Scientific and Practical Workshop “Ashes from TPPs – removal, transport, processing, landfilling”, held in April 19-20, 2012 in Moscow.

Official languages of the workshop: Russian and English.

Before the event the proceedings will be printed. By results of the workshop, a press release in the leading specialized printed and electronic mass media of Russia will be prepared and published. Besides, the workshop press release will be placed on the web sites of [IACEE MPEI](#), [ECOBA](#) and [World Wide Coal Combustion Products Network](#).

Deadlines

January 9, 2012 – paper submission. Papers are to be submitted in the hard copy and via e-mail in Russian or English.

January 23, 2012 – notification of the Organizing Committee about acceptance of the paper and publishing it in the proceedings.

February 6, 2012 – paper submission in the 2nd language. Papers are to be submitted in the hard copy and via e-mail.

March 5, 2012 - application form for participation in the workshop.

Paper requirements

In the workshop proceedings the papers, containing results of introduction and new developments on ash and slag from TPPs in view of analysis of the world experience will be published. Paper requirements are placed at the web page <http://www.ecopower.ru/index.php?newsid=101>. Papers, accepted by the Organizing Committee, should be submitted in Russian and English in a hard copy and via e-mail. Authors of the papers should provide the Organizing Committee with the license for publishing the papers in the proceedings and e-Media, including the site <http://osi.ecopower.ru>.

Participation

Workshop participation fee, including VAT, makes 23060,00 RUB or 590 EUR. Participation fee includes: participation in the workshop, opening and closing ceremonies, proceedings, and coffee-breaks.

Application forms for participation in the workshop and papers should be submitted to the address: Russia, 111250, Moscow, Krasnokazarmennaya str., 14, Moscow Power Engineering Institute, IACEE MPEI, Organizing Committee of the workshop «Ashes from TPPs», Putilov V.Y.

Accommodation

Organizing Committee can help in accommodation of the workshop participants in the hotels “Izmaylovo”, “Lefortovo” and MPEI. For that, the application should be submitted before March, 1, 2012.

Application form for participation in the workshop

First name, last name _____
Academic degree _____
Position _____
Phone _____ Fax _____ e-mail _____
Address for correspondence _____
Organization (full name) _____
Head of organization: _____
Legal address _____
Phone _____ Fax _____ e-mail _____

Bank details: _____

Settlement account _____
Bank name _____

Contact person _____ phone/fax _____
E-mail _____

Participation in the workshop:

Planned quantity of participants from your organization _____

What issues would you like to discuss _____

Head of organization _____

(Signature, stamp)

Finance support

We accept sponsor's payments from legal and physical persons in the form of donations on organization and holding of the workshop.

General sponsor – a payment of 10,0 thousand EUR and more. A sponsor, making maximum donation, will be indicated as a General one. The General sponsor has the right to free participation of **five** representatives in the workshop.

Golden sponsor – a payment of 7,0 thousand EUR and more. The Golden sponsor has the right to free participation of **three** representatives in the workshop.

Silver sponsor – a payment of 5,0 thousand EUR and more. The Silver sponsor has the right to free participation of **two** representatives in the workshop.

Sponsor – a payment of 2,0 thousand EUR and more. Sponsor has the right to free participation of **one** representative in the workshop.

Note! Sponsors, donating on organization and holding of the workshop till March,12 will be listed in the proceedings and press-release of the workshop in order that is defined by the sum of donations. The book layout will be submitted to the printing house on March 12, 2012.
